

BC Parks iNaturalist Project

PARKS Bingo

Vancouver Island Region

How to play: Become a citizen scientist by taking photos of plants, animals and other species every time you're in a B.C. provincial park or protected area and upload these observations to the BC Parks iNaturalist Project. Mark off the square when you make that observation. When you get five squares in a row, column or diagonally, you win! The biggest challenge of all: can you get every square?

P A R K S

Cascade oregon-grape or dull oregon-grape (<i>Berberis nervosa</i>)	Banana slug (<i>Ariolimax columbianus</i>)	Black oystercatcher (<i>Haematopus bachmani</i>)	Eelgrass (<i>Zostera marina</i>)	Small camas (<i>Camassia quamash</i>)
